The screenshot shows a web browser window with the URL app.zkinternational.com. The left sidebar contains the ZK INTERNATIONAL logo and navigation links: Dashboard, My Orders (active), Approvals, and Shipments. The main content area displays 'Order #ZK-1048 • Oversized Hoodies' with a 'Live tracking' status. Below this is a progress bar with five steps: 1. Sample (Done), 2. Approval (Approved), 3. Production (In progress, highlighted with a blue circle and the number 3), 4. Quality Check (Next), and 5. Shipping. A 'Production progress' bar shows 65% completion. Below the progress bar, there is a section for 'Awaiting your approval' featuring a photo of a cream-colored hoodie with star embroidery. It includes the text 'Embroidery sample - Cream', a note about pre-production sample photos, and two buttons: 'Approve' and 'Request changes'. To the right, a 'Latest updates' section lists: 'Cutting completed' (Today), 'Fabric dyed & checked' (2 days ago), and 'Lab dips approved' (5 days ago).
